Re: VOTE 2 REDUCE DEBT (V2RD) (C00563064)

Dear Ms. Sinram:

V2RD is in receipt of your Request for Additional Information dated August 27, 2014 regarding the July Quarterly Report (4/1/2014 6/30/2014) filed by V2RD. This letter provides a comprehensive response to your inquiry concerning missing itemization information, description of purpose for expenditures and memo entries to disclose ultimate vendors for reimbursement disbursements to certain individuals.

After an extensive review of PAC records, an amended July Quarterly Report is filed contemporaneously with this statement. The amended report provides the required itemization information for receipts and disbursements, complete descriptions for purpose of disbursement and memo entries for ultimate vendors.

V2RD has conducted an internal review of this error to ensure that reporting of this required information is precisely reported in the future. Further, V2RD has hired new staff and has trained existing staff, and the policies and procedures regarding preparation of reports and recordkeeping have been updated to ensure that data entry accurately reflects the record.

It is our expectation that this response provide you with all the necessary information in response to your inquiry. Of course, should have any questions or need additional information, please do not hesitate to contact me.

Sincerely,
Kenneth Davis, Jr.
Treasurer
